AutoCAD/Designer

TOMCAT is seeking an **AutoCAD/Designer** for our Product Support Team who is a strong team player, enjoys a challenge, likes a casual work environment, and has 3-5 years of AutoCAD experience with AutoCAD 2012 preferred.

Duties and Responsibilities to include, but not limited to:

- ❖ Read and interpret drawings and specifications
- ❖ Create finished quality drawings
- ❖ Experienced with AutoCAD design, both 2D and 3D
- ❖ Accountable for design and documentation of new and existing products
- ❖ Preparation of drawings and information for special projects
- ❖ Ability to quickly learn and perform increasingly complex assignments
- ❖ Strong organizational and communication skills combined with good technical support
- ❖ Capable in working with a minimum of supervision when required

TOMCAT offers a competitive benefits package including medical, dental, vision, life, matching 401k and a stock purchase plan.
